

THE THREE LITTLE PIGS

Drawings by Lorenza Pierobon

Once there were three little pigs who wanted to build houses of their own

The first little pig built his house with straw.
The second little pig built his house with wood.
The third little pig built his house with bricks.

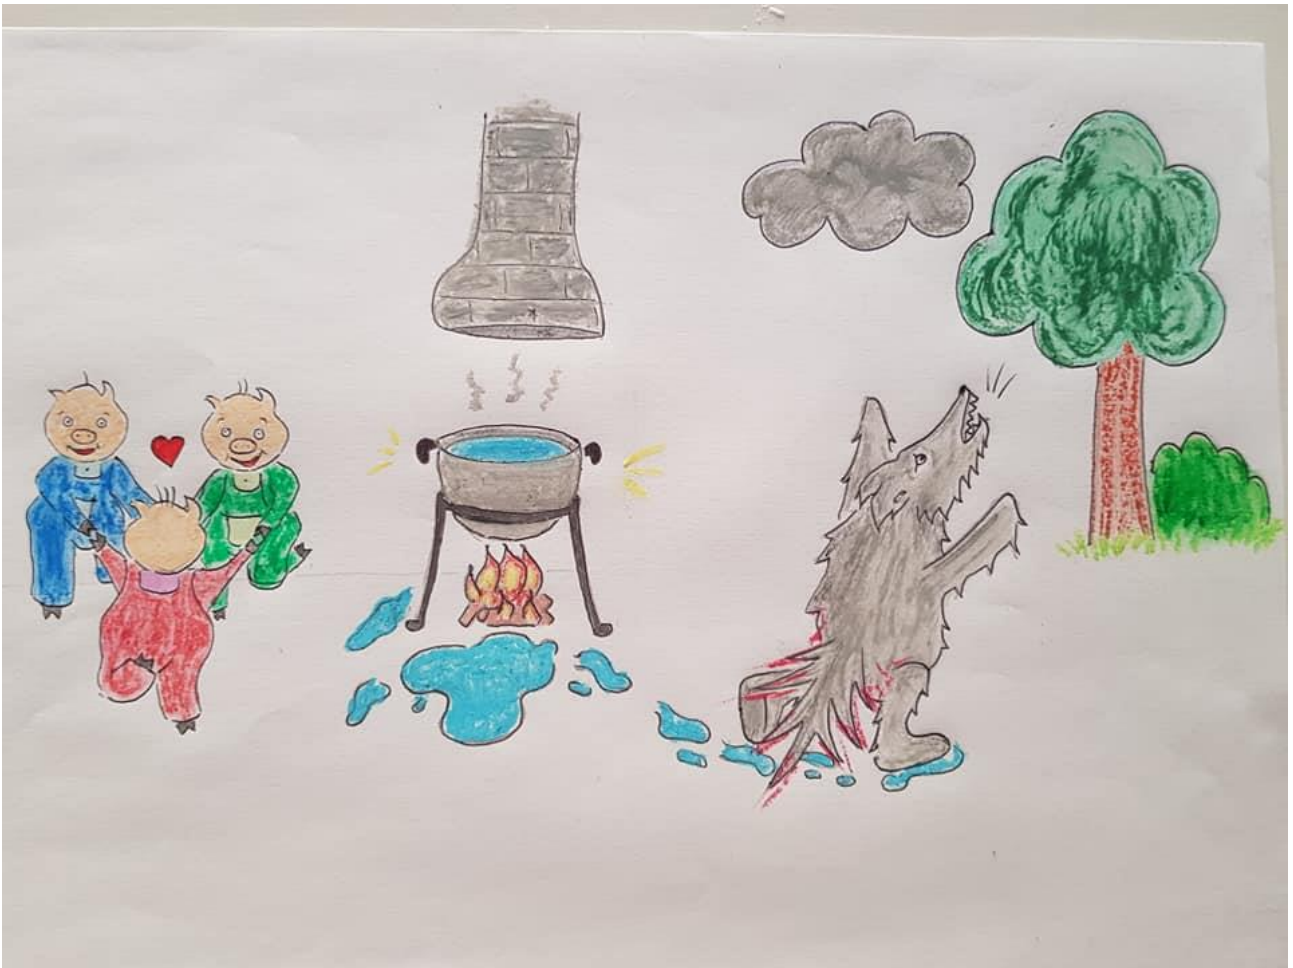

The big bad wolf huffed and puffed and blew the straw house down

The big bad wolf huffed and puffed and blew the wooden house down

The big bad wolf huffed and puffed... But couldn't blow the bricks house down

The big bad wolf climbed down the chimney, fell into the boiling water and ran away howling!
The three little pigs never saw the big bad wolf again and lived happily ever after.
